ABOUT THE SOCIETY

Hyderabad Karnataka Education Society was established in the year 1958 at Kalaburgi. Hyderabad Karnataka region had remained educationally and economically backward. Following the State reorganization in 1956, attempts were made for educational upliftment of the backward region by establishing Hyderabad Karnataka Education Society in 1958. The contributions of the farmers and businessmen laid the foundation for its growth and development. Late Mahadevappa Rampure, then Member of Parliament guided the Society as its President for 13 years. The Society has established more than 49 educational institutions in the districts, taluks, and villages in the erstwhile Hyderabad Karnataka and also at Bangalore, under the guidance of successive Presidents of the Society. The society provides facilities for higher education in the faculties of Arts, Science, Commerce, Law, Medical, Dental and Engineering etc., to the people of this region. Apart from providing education, it also fulfils an important social responsibility of providing good medical facilities to the people of this region through Basaveshwara Hospital and Sangameshwar Hospital at Kalaburgi

ABOUT THE COLLEGE:

HKE Society's Sree Veerendra Patil Degree College of Science, Arts and Commerce is imparting education in the city of Bangalore. The College aims at a holistic development of its students, fostering in them a spirit of academic excellence, social concern and character formation. HKES SVP Degree College is affiliated to Bangalore Central University and offers a three year B.Sc., B.A., B.Com and B.B.A. degree courses and Post Graduation Programme in Commerce. The College has been proactive in its response to the significant changes and developments in the field of higher education in general and expectations of the employers in particular environment.

IQAC was established on May 05, 2005. This unit channelizes and systemizes the efforts and measures of the college towards academic excellence. It works out strategies to provide effective governance and administration. It provides support in conducting curricular, co-curricular, extra-curricular, sports, value added programmes, awareness programme and evaluative methods. IQAC strives to establish consistent development in the academic process and creates a progressive environment.

ABOUT THE PROGRAMME:

The aim of the Faculty Development Programme is to equip the faculty of the new framework of NAAC assessment and the preparation process for accreditation. All the Higher Education Institution's in India work harder to enhance the quality of Higher Education. The highlight of the FDP is to focus on the preparation and documentation of the activities conducted by the institution. Hence the IQAC of the college has attempted to have brainstorming sessions with the resource person to equip the faculty and improve the quality of education as per the parameters laid down by the NAAC Council.
